05th Jan 2018

Hope For Cancer Patients, 100, Samrat Apartments, Vasundara Enclave, Delhi-96

This is to inform you that **Ms. Shamala, 19 years**, female, with **hospital number 5401511** is diagnosed as a case of **B Cell Leukemia**. Patient is being treated as per BFM 2002 protocol. The treatment plan is Chemotherapy. The estimated cost of complete treatment is Rs. 3,00,000/- (Rupees Three Lakhs only).

- Estimated cost of Chemotherapy is Rs.3,00,000/-. It includes the cost of drugs, investigations and hospitalization

The patient resides in **Kolar (Dist).K.A.** She belongs to **Low Socio-economic status** and thus cannot afford the treatment cost. Therefore kindly enable her to avail financial assistance

Trust that you would oblige and do the needful.

Thanking You

With Regards

Ganesh
